

Certificate of Achievement

This is to certify that
in conjunction with

EXN Carios Synthetic Esters 10W-40 Molytech Engine Oil Test

Test: Zero Engine Oil Run

Observation: Protective effect to the car engine and internals after using EXN engine oil despite being driven with zero engine oil for over 100km.

Date of Test: 13 December 2017

A handwritten signature in black ink, appearing to read 'Eugene Tay', is written over the space.

Eugene Tay
General Manager

Certificate of Achievement

This is to certify that
in conjunction with

EXN Carios Synthetic Esters 10W-40 Molytech Engine Oil Test

Test: Fuel Consumption Run with generic engine oil and EXN engine oil
of similar grade and viscosity

Observation: Reduction in fuel consumption by up to 8% and improved
load reduction by up to 13% with EXN engine oil

Date of Test: 13 December 2017

A handwritten signature in black ink, appearing to read 'Eugene Tay'.

Eugene Tay
General Manager
